

Pen Type Visual Fault Locator VFL-11P

Metal
material

2.5mm Universal
interface

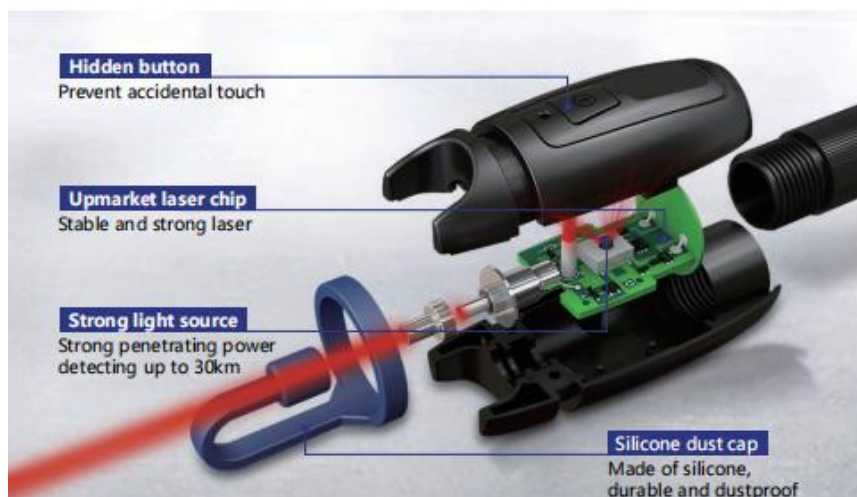

Upmarket chip
strong light source

Pulsed and CW
operation

Product Features Description

- 40h continuous work (1mw) ;
- 2.5mm universal adaptor for FC/ SC/ ST;
- Measuring up to 30km, high stability;
- High quality laser chip, strong light source;
- Silicone dust cap;
- Metal material, small and practical;

2.5mm Universal Connector

Product Parameter

Model	VFL-11P-10	VFL-11P-20	VFL-11P-30
Output Power	10mW	20mW	30mW
Detection Distance	8-10km	15-20km	25-30km
Operating Hours	12H	10H	4H
Wavelength	650nm		
Laser Type	LD		
Modulation Frequency	CW/2Hz		
Operating Temperature	- 20 ~ + 60		
Power	AA BatteriesX2		
Dimensions	197X30(mm)		
Weight	115g (including batteries)
